

**John Woody Sistrunk, M. D.**

**Address**

Jackson Thyroid & Endocrine Clinic, PLLC  
971 Lakeland Drive, Suite 353  
Jackson, Mississippi 39216  
Phone: 601-949-6990  
Fax: 601-949-6105  
Email: woodysistrunk@gmail.com

**Biographical Data**

Date of Birth: March 20, 1969  
Place of Birth: Jackson, Mississippi

**Education**

Bachelor of Arts in Biology – **May 1991**  
University of Mississippi, Oxford Mississippi

Doctor of Medicine – **May 1995**  
University of Mississippi School of Medicine  
Jackson, Mississippi

**Residency  
Training**

Internal Medicine Residency – **July 1995 to June 1998**  
Mayo Graduate School of Medicine  
Rochester, Minnesota

**Fellowship  
Training**

Endocrinology and Metabolism Fellowship – **July 1998 to June 2001**  
Mayo Graduate School of Medicine  
Rochester, Minnesota

**Medical School  
Honors**

Daryl R. Douglas Award  
Given to the sophomore medical student “Who most consistently demonstrates  
Readiness to serve and assist their classmates in the pursuit of medical  
knowledge and skills.”

**Academic  
Appointment**

University of Mississippi, School of Medicine  
Clinical Assistant Professor of Medicine, Division of Endocrinology 2001-2011  
Adjunctive Faculty 2011- Present.

**Professional  
Memberships**

Fellow, American College of Endocrinology  
American Association of Clinical Endocrinologists (AACE)  
-Fellow Representative to AACE Board of Directors – April 2000 to  
May 2001  
-Nuclear Medicine Course Liaison and Faculty – 2002 to present  
-Endocrine Training Support Committee – 2001 to 2011  
-Endocrine Training Support Committee, Chair – 2006-2007  
-Annual Meeting – Abstract Review Committee – 2001 to 2006  
-Annual Meeting – Poster Judge – 2001-2007  
  
-Nuclear Thyroidology Task Force/Certification Board of Nuclear  
Endocrinology, Co-Chair – 2005 to 2009  
-Nuclear Medicine Endocrine Certifying Course, Liaison

- Endocrine University Program Committee- 2012
- Endocrine University – Faculty – 2001 to present
- AACE Tri-State Chapter, President – 2006-2007
- AACE Annual Meeting Program Committee 2010, 2012, 2013
- AACE Task Force re: Cytology Course and Certification Program 2009-present
- AACE 2011 Annual Meeting Program Committee
- AACE Thyroid Scientific Committee-- 2012- 2015

American College of Endocrinology (ACE):

- ACE Funding Development Committee
- ACE Endocrine University Program Committee 2011-2012
- ACE Neck Ultrasound Certification Council-- Vice Chair 2011-2013
- ACE Nuclear Medicine Endocrine Board Certifying Committee 2011-2013

American Thyroid Association – Member

- Member, Historic Archives Committee
- Chair, History and Archives Committee, 2012-2015
- Member, Corporate Leadership Council- 2014

Academy of Clinical Thyroidology – Charter Member

- President, 2011-2012

Society of Nuclear Medicine & Molecular Imaging – Member

Mississippi Society of Nuclear Medicine- Member.

- President Elect, 2015.

Former member of American Medical Association

- AACE Delegate to the Young Physicians Section – June 2004, December 2004 and June 2005

Mayo Clinic Preferred Response Member- Level II. July 2014- present.

**Licensure**

State of Mississippi – May 1998  
 State of Minnesota – July 1996, currently inactive

State of Mississippi, Radioactive Materials License #MS-929-01

**Board Certification**

American Board of Internal Medicine – August 1998  
 Subspecialty of Endocrinology, Diabetes, and Metabolism – 2010-2020

**Publications**

“Type 1 Diabetes Mellitus”, Chapter with Bruce R. Zimmerman, M.D. in Contemporary Endocrinology, Challenging Cases in Endocrinology, Humana Press 2002. Mark Molitch, M.D., editor

Christine L.H. Snozek, Eugene P. Chambers, Carl C. Reading, Thomas J. Sebo, J. Woody Sistrunk, Ravinder J. Singh and Stefan K.G. Grebe  
 Serum thyroglobulin, high resolution ultrasound and lymph node Thyroglobulin in diagnosis of differentiated thyroid carcinoma nodal Metastases J. Clin. Endocrinol. Metab., Rapid Electronic Publication first Published on Aug 7, 2007 as doi:doi:10.1210/jc.2007-1075.

Preissner CM, Wolhuter PJ, Sistrunk JW, Homburger HA, Morris JC 3rd. Comparison of thyrotropin-receptor antibodies measured by four commercially available methods with a bioassay that uses Fisher rat thyroid cells. Clin Chem. 2003 Aug;49(8):1402-4.

**Research  
Experience**

July 1999 – June 2000: Study of the Role of Sodium Iodide Transporter as an Autoantigen in Thyroid Disease, under John C. Morris III, M.D., Division of Endocrinology and Metabolism, Mayo Clinic, Rochester, Minnesota.

1999-2000: A double-blind, placebo-controlled, multicenter study evaluating The efficacy and safety of three doses of SR141716 in Obese patients. M.D. Jensen, H.S. Abu-Lebdeh, J.W. Sistrunk investigators, Mayo Clinic site.

March 1997: Study of Seroprevalence of Vaccine Preventable Diseases in the Somali Population of Olmsted County, Minnesota under Gregory A. Poland, M.D., Vaccine Research, Mayo Clinic, Rochester, Minnesota.

June – August 1992: “A Comparison of EKG Interpretations with Serum Potassium Abnormalities” under Richard Hutchinson, M.D. Department Of Preventive Cardiology, University of Mississippi, School of Medicine.

**Poster  
Presentations**

“Adrenal Metastasis Presenting as Flank Pain” American Association of Clinical Endocrinologists, San Diego, California, April 1999.

“Acute Suppurative Thyroiditis Following Lip Piercing.” American Association of Clinical Endocrinologists, San Diego, California, April 1999.

“Endocrine Manifestations of Erdheim-Chester Disease” American Association Of Clinical Endocrinologists, Atlanta, Georgia, April 2000

“Significant Graves Ophthalmopathy with Biochemical Hypothyroidism” Endocrine Society, Toronto, Ontario, June 2000.

**Presentations**

American Association of Clinical Endocrinologists – Nuclear Medicine Course, Kansas City, Missouri Faculty 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2009, 2011, 2013.

American Association of Clinical Endocrinologists – Annual Meeting, San Diego, California, Faculty, April 2003.

American Association of Clinical Endocrinologists – Endocrine University, Rochester, Minnesota. Faculty. 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014.

American Association of Clinical Endocrinologists – Annual Meeting, Boston, Massachusetts, Faculty, April 2004.

American Association of Clinical Endocrinologists – Tri-States Chapter Meeting Faculty, February 2006.

American Thyroid Association – 2007, New York, New York – Faculty, Presentation. “Nuclear Medicine in the Outpatient Practice of Endocrinology.”

American Thyroid Association – 2008, Chicago, Illinois – Faculty. Presentation. “Nuclear Medicine in the Outpatient Practice of Endocrinology.”

St. Dominic Hospital – Cardiology Grand Rounds, January 2008, Presentation. “Amiodarone and the Thyroid.”

University Of Mississippi – Nurse Practitioner Conference, Faculty, February 2008. “An Overview of Thyroid Disease.”

University of Mississippi – Endocrine Tumor Conference, Faculty, April 18, 2008, “Thyroid Tumors: Medical Aspects with an Emphasis on Ultrasound.”

Mississippi Society of Nuclear Medicine –  
- Nuclear Medicine Update 2008, Faculty, February 2008.  
- Nuclear Medicine Update 2013, Faculty, February 2013.  
- Nuclear Medicine Update 2015, Faculty, February 15, 2015.

American Association of Clinical Endocrinologists – Annual Meeting, Houston, TX, Faculty, May 2009. “Nuclear Medicine in the Outpatient Practice of Endocrinology.”

American Thyroid Association—Annual meeting, Palm Beach, FL. September, 2009. “Nuclear Medicine in the Outpatient Practice of Endocrinology” and “Running a Successful Thyroidology Clinical Practice.”

American Association of Clinical Endocrinologists-- Southern States Meeting, New Orleans, LA, Spring 2010. “ECNU Certification and Authoring Quality Ultrasound Reports.”

American Association of Clinical Endocrinologists—Annual Meeting, Boston, MA, April 2010. “ECNU Certification and Authoring Quality Ultrasound Reports.”

American Association of Clinical Endocrinologists—Endocrine University, March 2011. “ECNU Certification and Authoring Quality Ultrasound Reports.”

American Association of Clinical Endocrinologists- Annual Meeting, San Diego, CA, April 2011. "An Update on Nuclear Medicine in the Outpatient Setting of Endocrinology."

University of Mississippi Endocrine Grand Rounds. -- August 2011. "Authoring Quality Ultrasound Reports."-

Visiting Faculty, Division of Endocrinology- University of Missouri at Columbia, August 2011.

American Association of Clinical Endocrinologists- Annual Meeting 2012, Philadelphia, PA. - Overview of Nuclear Medicine and Laboratory in the Office Setting.

Visiting Assistant Professor, Department of Ophthalmology 10/18/2012.  
Lecture-- "Graves' Ophthalmopathy from the Thyroidologist's Perspective."

University of Mississippi, Nuclear Medicine Update-02/17/2013.  
Lecture"Review of Guidelines for the Administration of Radioactive Iodine in Thyroid Disease."

University of Mississippi, Advanced Practice Providers Conference-- 03/07/2013.  
Lecture- "An Overview of Thyroid Nodules."

American Association of Clinical Endocrinologists-- Annual Meeting 2013, Phoenix, AZ. -- "Endocrine Survival-- 2013 and Beyond."

American Thyroid Association-- Annual Meeting 2013. San Juan, Puerto Rico--  
Lecture to Fellows -in-training-- "Thyroidology Practice."

American Institute of Ultrasound in Medicine—Video Presentation for DVD 09/19/2014- "AIUM Practice Guideline for the Performance of a Thyroid/Parathyroid Ultrasound Examination: Step by Step Video Tutorial for Performing Individual Examinations."

American Association of Clinical Endocrinologists-- Annual Meeting 2014, Las Vegas, NV. -- "Endocrine Jeopardy"

University of Mississippi School of Medicine—Grand Rounds/ Resident's Conference—10/07/2014—“Thyroiditis, The good, the bad, the other.”

American Thyroid Association—Annual meeting 2014. Coronado, California. ICCIDD Iodine Deficiency Symposium—“David Marine and the Elimination of Endemic Goiter in the United States.” Lecture to Fellows -in-training-- "Thyroidology Practice."

**Volunteer**

Mississippi Blues Commission – Foundation. Board of Directors.

**Work**

2006 to Present.

The Mississippi Radiation Response Volunteer Corps-- Volunteer physician.  
2013- Present.

Volunteer thyroidologist – All God’s Children. Serving as physician sonographer screening children from Belarus, born in the aftermath of the Chernobyl Nuclear Power Plant disaster. 2004 to Present.

Juvenile Diabetes Research Foundation, Mississippi Chapter Board of Directors.  
2001 – 2007

Sponsor- Boy Scouts of America - Andrew Jackson Council- Eagle Recognition Banquet. 2012, 2013, 2014.
